LET'S PIG OUT FOR ANNA MARTIN!

Anna Martin was an active and healthy 10 year old girl until her life took a dramatic turn on May 6, 2011, when she was diagnosed with Acute Myeloid Leukemia. With a bone marrow donor identified, Anna's journey to recovery is far from over. Her family will incur many treatment and other expenses traveling between Knoxville and Nashville where she will undergo a bone marrow transplant and continue her on her path to wellness. To help their family, we would like to invite all teams participating in the 2011 FC Alliance Fall Classic, friends, families and neighbors throughout East Tennessee, to place your pre-order today at www.fcallianceknox.org/AnnaMartin or stop by on September 10th and get a plate of the best BBQ you have ever tasted at a price you simply cannot beat! 100% of the proceeds will be donated to the Martin family. Many thanks to David Breeding for his generous food contribution, impressive smoker, fabulous cooking, his time, and his heart!
